

# READING COMPREHENSION

Skill Development

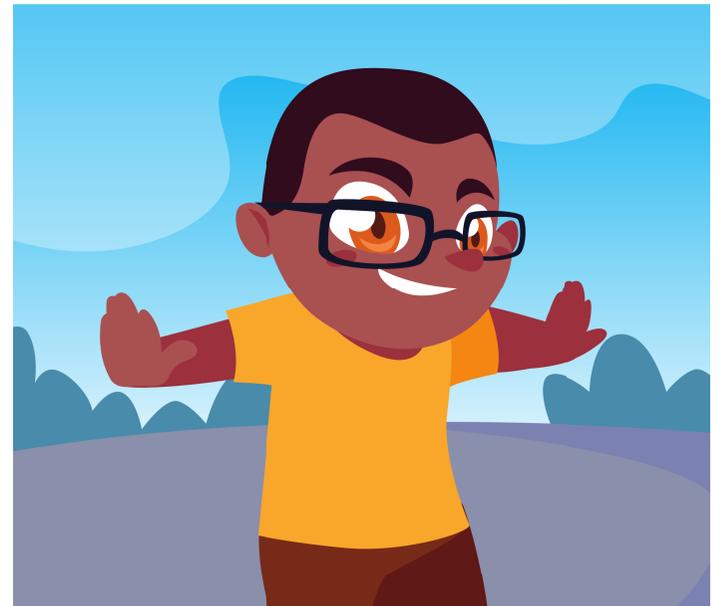

# APPROPRIATE AGE-GROUP

## Skill Development

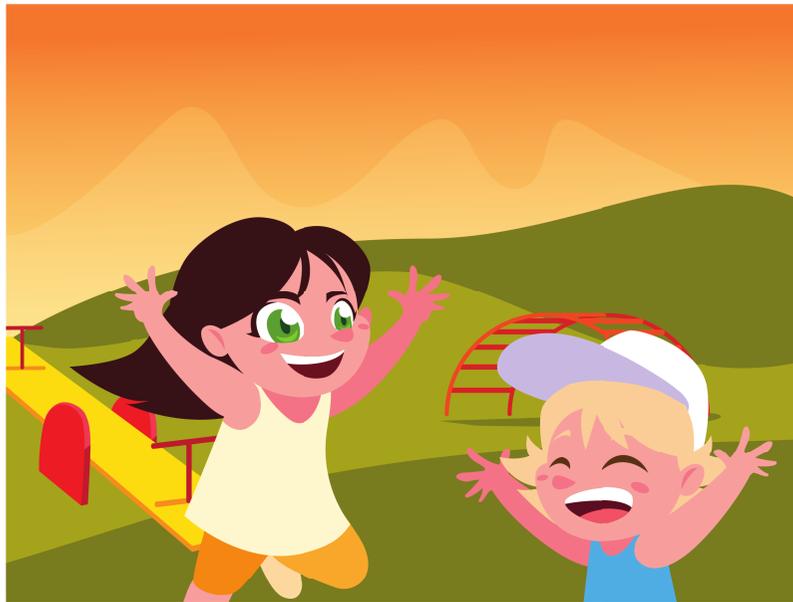

These reading comprehensions are for kids who have done all three levels of Jolly Phonics and are fluent readers.

Why do we suggest comprehension for fluent readers?

So they only concentrate on comprehending the questions asked rather than focusing on the decoding of words.

Kat is a girl who loves to play at the park. Her favourite activity is going down the slide! She likes to climb up the ladder and then slide down as fast as she can. Sometimes Kat likes to go down the slide backwards or on her tummy. She also likes to play with her friends on the playground equipment and have fun together. Kat always has lots of fun at the park, especially on the slide!

QUESTION

1 Who is Kat?

---

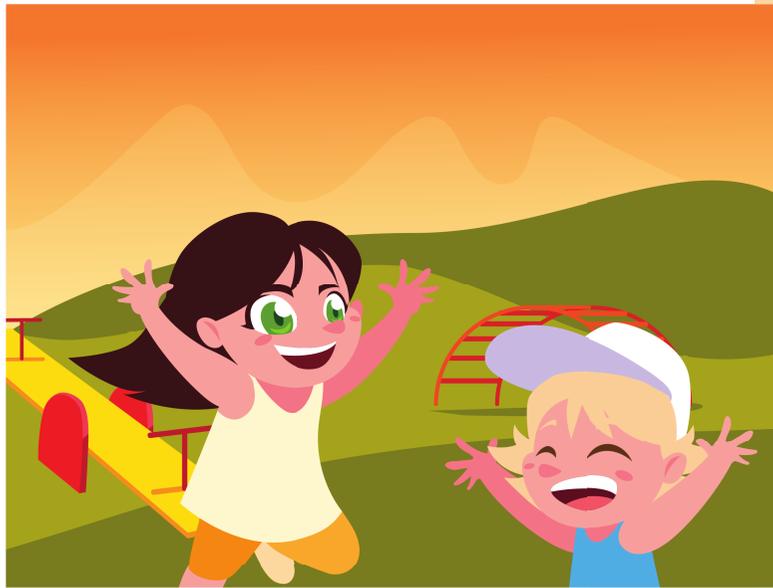

2 What does Kat like to do at the park?

---

3 How do you know that Kat enjoys the park?

---

Kat is a girl who loves to play at the park. Her favourite activity is going down the slide! She likes to climb up the ladder and then slide down as fast as she can. Sometimes Kat likes to go down the slide backwards or on her tummy. She also likes to play with her friends on the playground equipment and have fun together. Kat always has lots of fun at the park, especially on the slide!

- 1 Kat is a girl.
- 2 Kat likes to go up and down the slide.

ANSWER

1 What do the boys do at the park?

---

2 What does "challenge" mean?

---

3 What do they do after they finish the race?

---

Kit and Joe are two young friends who love to have running races at the park. They set up a starting line and then take turns racing each other to the finish line. They like to challenge each other and see who can run the fastest. Kit and Joe also like to cheer each other on and give high fives after each race. When they're done racing, they take a break and have a drink of water.

- 1 Kit and Joe have running races.
- 2 It means they race to see who can run the fastest.
- 3 They have a rest and drink some water.

Kit and Joe are two young friends who love to have running races at the park. They set up a starting line and then take turns racing each other to the finish line. They like to challenge each other and see who can run the fastest. Kit and Joe also like to cheer each other on and give high fives after each race. When they're done racing, they take a break and have a drink of water.
